

YASKAWA

Yaskawa

Brushless AC servomotors, digital amplifiers for single and multi-axis systems & Variable Frequency Drives

Bimba Electric Motion

H-bots, T-Bots, Rod Style Electric & Rodless actuators, Linear Robots, Guided Thrusters, and Rack and Pinion Actuators

Nidec-Shimpo:

Superior design, High Precision gearboxes, low backlash servo-gearbox and Heavy Industrial power transmission products.

TOYO

Clean Room Actuators, Multi Axis Belt & Ballscrew Type Actuator Assemblies, Miniature Rod Type Actuators

YASKAWA

Yaskawa Robotics [Motoman]

Robotic automation solutions arc welding, assembly, clean room, coating, dispensing,

Exlar

Roller screw, ballscrew, lead screw actuators.

Watt Drive

Modular design inverter duty gearboxes, All Servomotor MFG flange mounts

Mencom Corporation & ILME:

Industrial Connector Products and Heavy duty multipole connectors

Nexen:

High speed precision rack and pinion linear drive systems. Clamping and braking elements for linear guides.

Euchner

Safety Interlocks

PMI Linear Guides

Linear guides, low noise ballscrews, Mono Stages

Numatics FieldBus and I/O Products

Network Protocols: DeviceNet, DeviceNet w/Quick Connect, Ethernet IP, PROFIBUS-DP, CANopen, PROFINET, DeviceNet w/DeviceLogix, and more.

Exor America

HMI products combine state-of-the-art features with an outstanding design. True Glass Surfaces. Capacitive Touch. ATEX, UL and DNV approvals. HMI+PLC

Hunt Valve Actuator Division

Comprehensive range of precision, high capacity, high thrust, high speed, sealed rodless linear actuators, & screw jacks.

Rollon

Linear motion systems, guides, linear actuators, Heavy duty telescopic linear guides and drawer slides.

VIPA I/O Controls:

Complete line of network decentralized I/O systems. PROFINET and PROFIBUS, EtherCAT, DeviceNet, CANopen, EtherNet/IP as well as Modbus TCP

NBK

A leading coupling manufacturer. XG Series high gain type couplings, Disc-type XHW –

THK

World leader in linear motion technology and innovations. Guides, ball screws, bearings and integrated packages.

PMI - Accu Tech USA

Largest selection of linear guides and ball screws in North America

Kamo Seiko

Zero backlash right angle and pancake speed reducers. Multiple stop miniature indexers.

Canfield Connector

Interconnection devices, electronic timers, connectors, sensors, modules and specialty electronic devices

Leuze

Safety light curtains and safety switches

Pacific Bearing

Shafting, Self-Lubricating Bearings, linear slides, pillow blocks, sleeve bearings.

Tslots & Fath

Aluminum extrusion and hardware for industrial framework.

Pneumatic Products

Air Vac

Air operated vacuum pumps to 29.7" Hg, vacuum flows from 2 to 128 scfm. Complete line of accessories

ASCO Numatics

The world's largest line of flow control components including solenoid pilot valves, angle body piston valves, linear and rotary valve monitoring systems, redundant control systems, and pressure sensors.

Coval

Coval vacuum handling with components and optimizing systems, integrating intelligent reliable functions, adaptable to your industrial needs.

Spartan Scientific

Quality DIN-style solenoid valves for general as well as special and custom design applications. Solenoid valves include control valves and automatic condensation removal drain valves

Illinois Pneumatics

Interchangeable low friction rolling diaphragm air cylinders

Turn-Act

Rotary actuators.

Mach III

Custom manufacturer of clutches, brakes, torque limiters and tension control systems. Shaft sizes up to 3 inches and torque requirements up to 15,000 in lbs

Greenco

Leaders in rodless cylinders. Cable cylinders 1/2" to 8" bore, air and hydraulic. Strokes up to 100 feet.

Rockford Air

Cylinders and boosters

Pisco

Pneumatic push-to-connect fittings for 1/8" through 5/8" and 3mm through 16mm tubing. 10-32 UNF through 1/2" NPT and M5, M6 and R1/8 through R1/2 PT thread.

Tslots & Fath

Aluminum extrusion and hardware for industrial framework.

Proportion Air

Electronically controlled air valves with internal and external feedback capabilities, operating with digital or analog inputs. Pressure transducers and accessories.

SPC

Pneumatic push-to-connect fittings for 1/8" through 1/2" and 4mm through 12mm o.d. tubing. 10-32 UNF through 1/2" NPT, M5-M6 and R1/8 through R1/2 PT, and G01 through G04 O-ring seal threads.

NGT

Pilot operated check valves and grippers

Compact Air

Complete line of small bore and hollow rod cylinders, grippers, slides,

Watts

A complete line of filters, regulators and lubricators 1/8" to 2-1/2"

Ace

Deceleration & Vibration Technology, Industrial adjustable and self compensating shock absorbers with interchangeable mounting

Fabco-Air

Air Prep., Pancake cylinders, Square cylinders, tie rod cylinders, Multi-Power cylinders and presses and Global Series extruded body cylinders. Many styles of pneumatic linear slides, rotary actuators, angular and parallel grippers.

Dmfit

NSF approved plastic push-in fittings for 5/32" to 1/2" tube.

Colder Products Company

Couplings

Pneumadyne

Miniature pneumatic directional valves, fittings, regulators, timers, manifolds, shuttle valves, needle and flow control valves, air jets, and valve actuators. 10-32 through 3/8" NPT ports.

Springville Mfg

Cylinders with concentration on "special" custom designed cylinders

Hydronic

Air driven hydraulic power packs

Ortman

Interchangeable NFPA tie rod cylinders, round body cylinders, rugged boosters, air-oil tanks and piston type accumulators

Hanna

NFPA tie rod, custom mobile, mill type, corrosion resistant and plastic molded, marine, nuclear and special cylinders. 1-1/2" through 24" bores. 250 PSI pneumatic, 3000 PSI hydraulic

Tslots & Fath

Aluminum extrusion and hardware for industrial framework.

Deltrol

Flow controls

Ergo-Help

Compact Double-Acting Telecoping Pneumatic Cylinders

Hankison

Filters and dryers

Hawk

Pressure Gauges

John Guest

NSF approved plastic push-in fittings for 5/32" to 1/2" tube

Sempress

Pneumatic Indexing and dividing tables

Lexair

Pinch and poppet valves

Lake

Monitors

Pizzato

Position switches, safety switches, micro-switches, foot switches

Contrinex

Wide range of proximity switches, virtually all the common standardized inductive and photoelectric types

QC Conveyors

Reliable, easy-to-use conveyor systems, backed with world class service and support.

HR Textron

Direct drive hydraulic and pneumatic servo valves and motion control products.

ITW Vortec

Vortex tubes, cold air guns, personal cooling and heating systems, transducers, blowoff nozzles, jets and accessories.

Hubbell

Workstations, Tool Balancers, Torque Arms & Tool Positioners

UCI

Gauges, valves and manifolds

Nasco

Load positioning systems, tool balancing, automatic screw feeding systems

Deschner

Kinechecks, speed regulators for moving devices, adjustable leakproof impact absorbers

Amlok

Rod clamps

Vi-Cas Manufacturing Company

vacuum cups and accessories

Watson Pneumatics

Miniature pneumatics, right angle control valves

WERMA

Stackable lights

BTI

Non-Contact Safety Switches

GW

Manifolds used for Air, Water or Hydraulic (1000 PSI). Corrosion resistant anodized finish.

FreelinWade & Coilhose Pneumatics

Nylon, Polyurethane, Polyethylene, Multilayer tubing, Air Tool Accessories and Air Line Controls
